

Terms and Conditions

We are a company providing premium indicators for the platform www.tradingview.com, which means we build web software that people (our “Clients”) use, to measure current conditions as well as to forecast financial or economic trends. (our “Service”) In the world of investing, indicators typically refer to technical chart patterns deriving from the price, volume, or open interest of a given security. Applied to a trading chart, it can help make the market clear. People that are using our indicators are using in to get “support” in their trading decision.

X-Trend (“X-Trend”, “we” or “us”) offers various services to you, our Client, and your End Users, through our website (<https://x-trend.trade>), all of which are conditioned on your agreement to adhere to the following Terms of Service without modification of any kind. Your use of the Service and/or your registration with us constitutes your agreement to these Terms of Service. These Terms of Service are subject to change at any time, without prior notice. Any changes that are made to these Terms of Service will not apply retroactively and will not apply to disputes or events occurring before the change is published. You are responsible for reviewing these Terms of Service on a regular basis. These Terms of Service apply to all visitors and all who access our website or Service.
